Tony Buzan's Master Class

Price per Unit (each): \$180.91

Have you ever wanted to be a fly on the wall in the room with a great thinker? Participate in one man's journey to greatness and hear big ah-ha moments we can all learn from.

This master class with Tony Buzan, inventor of Mind Maps and author of over 98 books was recorded in Melbourne earlier this year as part of the BLI Accreditation process. Featuring three hours of stories, anecdotes and lessons Tony shares insights into creativity, learning, memory and mental literacy.

Includes 3 DVD's as well as the Audio version (set of 3 CDs) so you can listen in your car
